FOR IMMEDIATE RELEASE

## MIRTEC PRESENTS TWO AWARDS DURING SMT/HYBRID/PACKAGING 2013

**APRIL 2013** – MIRTEC, the Global Leader in Inspection Technology, announces that it presented two awards to its sales distributors on Wednesday, April 17, 2013 during the SMT/Hybrid/Packaging exhibition in Nuremberg, Germany. The ceremony took place in distributor pc tec's booth, located in Hall 7, Stand 504.

David Bennett, President of MIRTEC Europe, awarded LionTech Ltd. with a sales award. LionTech represents MIRTEC's inspection technologies throughout Russia. With Eastern Europe growing so quickly and being such an important market, MIRTEC needs a partner that exudes both technical expertise and a highly trained support team. LionTech features both and has been a strong long-term partner for MIRTEC. Every team member is up-to-date on MIRTEC's inspection technologies and can help customers solve inspection difficulties. In presenting the honor, Bennett said, "LionTech is emerging as one of the most technical sales associations in Europe. It is a pleasure working with Alexey Vasilenko and his professional team."

The second award presented was the President's Award and it went to Haja Tech, MIRTEC's representative in the key Scandinavian region of Sweden. The

entire team has been fully trained on the superior qualities offered by the MIRTEC series of AOI solutions, and the company is responsible for the sales and support of MIRTEC's entire award-winning line up of desktop and inline AOI systems. "The Haja team continues to promote MIRTEC successfully to a very technical customer base, and its continuous growth and success with our latest technologies is exemplary," said Bennett. "As such, I present them with my personal award of excellence."

MIRTEC prides itself on providing the industry with the highest quality products and services at competitive pricing and recognizes that having a strong, global presence helps accomplish this goal. Because of this, the company partners only with top-rated, technical sales organizations whose focus matches MIRTEC's, resulting in reliable, long-term relationships that not only benefit the companies but also the industry.
